8 * Section 1. The legislature finds that there is a substantial public
9 purpose in the protection of existing naturally occurring rangeland and for
0 the establishment of state owned or acquired land valuable for grazing as
1 state grazing preserves for the perpetuation of personal, commercial, and
2 other beneficial uses of the resources under the principles of multiple-use
3 and sustained-yield management. In this section, "naturally occurring
4 rangeland" means land of the state where cattle, sheep, or reindeer are
5 grazing or where cattle, sheep, or reindeer may graze under lease or permit
6 of the commissioner of natural resources.

7 * Sec. 2. The commissioner of natural resources shall report to the
8 Second Session of the Fifteenth State Legislature within the first 10 days
9 of the session on state land recommended for protection as state grazing
0 preserves.
