AN ACT

Relating to a personal safety curriculum in public schools.

* Section 1. AS 14.30.360 is amended to read:

Sec. 14.30.360. CURRICULUM. (a) Each district in the state public school system shall be encouraged to initiate and conduct a program in health education for kindergarten through grade 12. The program should include instruction in physical health and personal safety including alcohol and drug abuse education, cardiopulmonary resuscitation (CPR), early cancer prevention and detection, dental health, family health, environmental health, the identification and prevention of child abuse, child abduction, neglect, sexual abuse and domestic violence, and appropriate use of health services.

(b) The state board shall establish [BY REGULATION] guidelines for a health and personal safety education program. Personal safety guidelines shall be developed in consultation with the Council on Domestic Violence and Sexual Assault. Upon request, the Department of Education, the Department of Health and Social Services, and the Council on Domestic Violence and Sexual Assault shall provide technical assistance to school districts in the development of personal safety curricula. A school health education specialist position shall be established and funded in the department to coordinate the program statewide. Adequate funds to enable curriculum and resource development, adequate consultation to school districts, and a program
