AN ACT

Relating to hazardous physical agents in the workplace.

* Section 1. AS 18.60.030 is amended to read:

Sec. 18.60.030. DUTIES OF DEPARTMENT OF LABOR. The Department of Labor shall

(1) study ways and means for prevention of accidents to persons on the streets and highways, in and on the water, in aircraft usage, in homes, on the farms, at schools, industrial and commercial plants, and in public places;

(2) plan and execute safety programs, including educational campaigns, designed to reduce accidents in every field of activity;

(3) work in cooperation with official and unofficial organizations and instrumentalities in the state that are interested in the promotion of safety so that possible resources can be marshalled and utilized to reduce the menace of accidental death and injury;

(4) work toward obtaining better observance and enforcement of laws governing street and highway traffic, and assist in bringing about, wherever feasible, the application of modern engineering measures for the prevention of traffic accidents;

(5) confer [ADVISE] with the public agencies responsible for safeguarding the people against accidents, and especially with the Department of Transportation and Public Facilities, the Department of Public Safety, the Department of Education, the Department of Natural

1 Resources, the Department of Health and Social Services, and the heads
2 or representatives of federal departments and agencies operating in
3 the state particularly concerned with safety programs and accident
4 prevention;

5 (6) establish and enforce occupational safety and health
6 standards that prescribe requirements for safe and healthful working
7 conditions for all employment, including state and local government
8 employment, and the requirements are to be at least as effective as
9 those requirements adopted by the United States Secretary of Labor
10 under sec. 6 of Public Law 91-596;

11 (7) require an employer to maintain records and submit
12 reports to the department which records and reports are necessary or
13 appropriate for the enforcement of AS 18.60.010 - 18.60.105 and to
14 maintain records and submit reports to the United States Secretary of
15 Labor in the same manner and to the same extent as set out in federal
16 law and regulations;

17 (8) require an employer to maintain records and submit
18 reports appropriate for use in developing information regarding the
19 causes and prevention of occupational accidents and illnesses;

20 (9) require an employer to make periodic inspections when
21 necessary to carry out the record and reporting requirements of (7)
22 and (8) of this section;

23 (10) participate in occupational safety and health programs
24 if it finds they are necessary to meet the occupational health and
25 safety needs of the state;

26 (11) execute on behalf of the state agreements or contracts
27 necessary or desirable to enable the state to participate in occupa-
28 tional safety and health programs, and to receive and expend funds
29 made available for programs of the state;

(12) annually publish a list of toxic and hazardous substances and physical agents;

(13) maintain a current set of OSHA form 20's or equivalent information for toxic and hazardous substances and for physical agents, and other information relevant to toxic and hazardous substances and physical agents;

(14) assist employers, upon request, to develop employee safety education programs and to identify and obtain information on toxic and hazardous substances and physical agents [AND DEVELOP EMPLOYEE SAFETY EDUCATION PROGRAMS].

* Sec. 2. AS 18.60.066 is amended to read:

Sec. 18.60.066. EMPLOYEE SAFETY EDUCATION PROGRAMS. (a) An employer shall conduct a safety education program for an employee before the employee performs a new work assignment that may result in the employee being exposed to a toxic or hazardous substance or a physical agent for which the employee has not received safety instruction as provided under (b) of this section.

(b) An employee safety instruction program shall inform the employee of

(1) the location, properties, and known or suspected acute and chronic health effects of the hazardous or toxic substances or physical agents to which the employee is exposed in the workplace;

(2) the nature of the operations that could result in exposure to hazardous or toxic substances or physical agents [,] as well as any necessary handling or hygienic practices or precautions; and

(3) the location, purpose, proper use, and limitations of personal protective equipment used in the workplace.

* Sec. 3. AS 18.60.067(a) is amended to read:

Chapter 35

1 (a) An employer shall make available to an employee on request a
2 copy of the most recent OSHA form 20 or equivalent written information
3 for a toxic or hazardous substance or for a physical agent to which
4 the employee may be exposed. If the employer does not have the copy
5 or information requested, the employer shall request a copy from the
6 department or the manufacturer of the substance within three state
7 government working days after receiving the request.

8 * Sec. 4. AS 18.60.068 is amended to read:

9 Sec. 18.60.068. POSTING OF INFORMATION IN WORKPLACE. (a) The
10 department shall print and make available to employers posters that
11 contain notice of the provisions of this chapter relating to toxic and
12 hazardous substances and physical agents.

13 (b) An employer whose employees are or may be exposed in the
14 workplace to a toxic or hazardous substance or a physical agent shall
15 display the following information in a manner designed to notify the
16 employees:

17 (1) a poster printed by the department under (a) of this
18 section; and

19 (2) an OSHA form 20 or equivalent information for each
20 toxic or hazardous substance and for each physical agent to which an
21 employee may be exposed in the workplace

22 (A) under normal conditions of work; or

23 (B) during a reasonably foreseeable emergency, includ-
24 ing equipment failure and rupture of containers.

25 (c) Instead of posting the information required under (b)(2) of
26 this section, an employer may post a list of the chemical name and
27 product name of each toxic or hazardous substance and each physical
28 agent to which an employee may be exposed in the workplace, together
29 with an identification of a location, in or near the workplace and

accessible to employees, where an employee may inspect the information listed under (b)(2) of this section.

* Sec. 5. AS 18.60.105(a)(1) is amended to read:

(1) "be exposed" means to ingest, inhale, or absorb through the skin or eyes a substance or physical agent, or fumes or other potentially harmful aspect of a substance or physical agent;

* Sec. 6. AS 18.60.105(a) is amended by adding a new paragraph to read:

(11) "physical agent" means a physical agent that exceeds the threshold established in the 1986 - 1987 edition of "Threshold Limit Values for Chemical Substances and Physical Agents in the Work Environment" published by the American Conference of Governmental Industrial Hygienists.

* Sec. 7. AS 18.60.105(b) is amended to read:

(b) In AS 18.60.030(14), 18.60.065 - 18.60.068, and 18.60.-105(a)(9)

(1) "employee" means a person who works for an employer, but not in a place used primarily as a personal residence;

(2) "employer" means a person, including the state and a political subdivision of the state, who has one or more employees working in a place not used primarily as a personal residence;

(3) "health hazard" means a substance or physical agent capable of causing acute or chronic adverse effects to health;

(4) "workplace" means a place of employment other than a place used primarily as a personal residence.

* Sec. 8. Notwithstanding the amendments to AS 18.60.068 made by sec. 4 of this Act, the department may continue to use existing posters until the next printing of the posters.
