Relating to the need for a rural housing assessment.

---

### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS there is little current knowledge of housing conditions and housing demand in the rural areas of the state; and

WHEREAS there has been no comprehensive housing data collected since the 1980 United States census and the housing need and the demographics of the rural areas of the state have changed considerably in the last seven years; and

WHEREAS information on housing conditions and the demand for housing is necessary if the state is to develop responsive rural housing programs;

BE IT RESOLVED by the Alaska State Legislature that the Governor is respectfully requested to direct the commissioner of community and regional affairs to conduct an assessment of rural housing conditions and the demand for rural housing; and be it

FURTHER RESOLVED by the Alaska State Legislature that the Governor is respectfully requested to coordinate among federal, state, and local agencies providing funding for meeting housing demands in rural Alaska to ensure prior to development that all new projects coordinate aesthetically in configuration and location to avoid creating the appearance of a possible blight in a community.
