Relating to the highway between Eklutna and Palmer.

---

### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the highway between Eklutna and the Glenn Highway and Parks Highway intersection is a main artery for commercial and residential traffic; and

WHEREAS during the peak days of operation of the Alaska State Fair at Palmer, traffic on the highway greatly exceeds the maximum capacity of the highway; and

WHEREAS the highway is presently only a two-lane highway; and

WHEREAS the latest annual statistics concerning the daily traffic volume reflect a substantial increase in traffic volume; and

WHEREAS the commercial and residential use of this highway is expected to increase even further;

BE IT RESOLVED that the Alaska State Legislature respectfully requests the Governor to direct the Department of Transportation and Public Facilities to proceed as expeditiously as possible with the Glenn Highway widening, Eklutna North project; and be it

FURTHER RESOLVED that the Alaska State Legislature respectfully requests the Governor to direct the Department of Transportation and Public Facilities to continue the emergency traffic control program, as implemented in 1986, during peak days of operation of the Alaska State Fair in order to reduce traffic congestion and hazardous driving conditions on the highway between Eklutna and the Glenn Highway and Parks Highway

intersection.
