6 * Section 1. AS 38.05.810(a) is amended to read:

7 (a) Except as otherwise provided in AS 38.05.183(h), the lease, sale, or other disposal
8 of state land or resources may be made to a state or federal agency or political subdivision, [OR]
9 the lease, sale, or disposal of coal deposits suitable for mining may be made to a utility owned
10 and operated by a government agency or nonprofit cooperative association organized to
11 participate under the Federal Rural Electrification Act for the purpose of generating electric
12 power and energy or the production of process steam, or both, or the sale or other disposal of
13 state land may be made to a tax-exempt, nonprofit corporation, association, club, or society
14 organized and operated exclusively for the management of a cemetery or a solid waste
15 facility, for less than the appraised value as determined by the director and approved by the
16 commissioner to be fair and proper and in the best interests of the public, with due consideration
17 given to the nature of the public services or function rendered by the agency, subdivision, tax-
18 exempt, nonprofit corporation, association, club, or society, or utility making application, and
19 of the terms of the grant under which the land was acquired by the state.
