Chapter No.

33

AN ACT

Relating to lighting equipment required on a school bus; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

Approved by the Governor: May 26, 1992
Actual Effective Date: November 1, 1992

AN ACT

1 Relating to lighting equipment required on a school bus; and providing for an effective date.

2

3

4 * Section 1. AS 28.05.104(b) is amended to read:

5 (b) The Department of Education, in coordination with the Department of Public Safety,
6 shall

7 (1) establish equipment requirements for each type of school bus that is used to
8 transport school children to or from a public school; equipment requirements must include two
9 red strobe lights with alternating flashes attached to the stop arm, a white strobe light
10 attached to the roof of the school bus and not more than six feet from the rear of the school
11 bus, interior flammability standards, number and location of emergency exits, seat-back height
12 and padding requirements, and seat belt standards;

13 (2) at least twice each calendar year, inspect each school bus for compliance with
14 this subsection; and

Chapter 33

1 (3) maintain a record of each accident involving a school bus or other vehicle
2 transporting school children that is owned, leased, or provided under contract to a school district
3 or regional educational attendance area; the record must include the date of the accident, a list
4 of persons injured, whether the person's injury occurred within the school bus, and each type of
5 injury.

6 * **Sec. 2. SCHOOL BUS RENOVATION.** (a) The Department of Education shall reimburse each
7 school district for the initial cost incurred by each school district between January 1, 1992, and
8 November 1, 1992, of obtaining and installing stop arm strobe lights and roof strobe lights required by
9 AS 28.05.104(b), as amended in sec. 1 of this Act. Reimbursement may not exceed \$150 for each stop
10 arm renovation, \$175 for each roof renovation, and shall be subject to approval by the Department of
11 Education.

12 (b) The requirement contained in AS 28.05.104(b), as amended in sec. 1 of this Act, that a white
13 strobe light attached to the roof of the school bus must be not more than six feet from the rear of the
14 school bus, does not apply to a school bus that has a white strobe light already attached to the roof of
15 the school bus on November 1, 1992.

16 * **Sec. 3.** This Act takes effect November 1, 1992.
