4 is engaged in buying, selling, or dealing in new or used motor vehicles, trailers, or
5 semi-trailers in the state, but does not include a buyer's agent when acting in the
6 capacity of a buyer's agent. In this section, "buyer's agent" has the meaning
7 given in AS 08.66.350.

8 * Sec. 5. AS 08.66 is amended by adding new sections to read:

9 ARTICLE 2. BUYERS' AGENTS.

10 Sec. 08.66.200. REGISTRATION OF BUYER'S AGENT. A person may not
11 do business in the state by negotiating on behalf of a buyer the purchase of a motor
12 vehicle from a motor vehicle dealer unless the person is registered with the Department
13 of Public Safety.

14 Sec. 08.66.210. APPLICATION, BOND, AND FEE. (a) In order to register
15 under AS 08.66.200, a person shall file with the department an application, a bond
16 required by AS 08.66.240, and an application fee established by the department by
17 regulation.

18 (b) The department shall prescribe and furnish the form of application for the
19 registration. The application must contain

- 20 (1) the name under which the business is conducted;
21 (2) the address of the main office of the business;
22 (3) the name and address of all persons having an interest in the
23 business, and in the case of a corporation the application shall contain the name and
24 address of the two principal officers; and
25 (4) other information the department requires.

26 Sec. 08.66.220. DEPARTMENT APPROVAL. The department shall approve
27 an application for registration under AS 08.66.210 if the application contains the
28 information required by AS 08.66.210 and the bond complies with AS 08.66.240.

29 Sec. 08.66.230. RENEWAL OF REGISTRATION. A buyer's agent shall

31 department a request for renewal, the bond required by AS 08.66.240, and a renewal

Chapter 10

1 fee established by the department by regulation.

2 Sec. 08.66.240. BOND. (a) An applicant for registration under AS 08.66.210
3 or for renewal of a registration under AS 08.66.230 shall file with the application or
4 request for renewal, and shall maintain in force while registered, a \$10,000 bond that
5 is in favor of the state and that is executed by an authorized corporate surety approved
6 by the department.

7 (b) Instead of the corporate surety bond required by (a) of this section, the
8 department may, in the department's sole discretion, accept a bond in the same amount
9 with at least two individual sureties. A surety shall provide as security real property
10 that has a fair market value that is equal to two times the amount of the bond. The
11 department shall investigate as necessary the actual financial responsibility of the
12 individual sureties.

13 (c) The bond required by this section is conditioned on the applicant
14 complying with AS 08.66.200 - 08.66.350 and not committing fraud or making
15 fraudulent representations in the course of doing business as a buyer's agent.

16 (d) A surety may cancel the bond after giving the department 30 days' advance
17 written notice. Cancellation does not relieve a surety of liability arising on the bond
18 from a purchase negotiated by the bonded buyer's agent before cancellation or a
19 liability that accrues against the bond before cancellation. The department shall retain
20 the cancelled bond on file.

21 Sec. 08.66.250. ACTION ON BOND. If a person suffers loss or damage by
22 reason of a buyer's agent, or a person doing business as a buyer's agent, violating
23 AS 08.66.200 - 08.66.350 or committing fraud or making fraudulent representations
24 in the course of doing business as a buyer's agent, the person may bring an action
25 against the buyer's agent and the surety upon the bond. The aggregate liability of the
26 surety may not exceed the amount of the bond.

27 Sec. 08.66.260. BUYER'S AGENT CONTRACT REQUIRED. (a) Before a
28 buyer's agent negotiates on behalf of a buyer the purchase of a motor vehicle from a
29 motor vehicle dealer, the buyer's agent must have a written contract with the buyer.

30 (b) The contract required by (a) of this section must include a description of
31 the specific services to be provided by the buyer's agent, the date when the buyer's

1 agent will provide the services, and a description of the fees that the buyer's agent will
2 charge, including any fee that the buyer is to pay before the motor vehicle is delivered
3 to the buyer.

4 Sec. 08.66.270. PURCHASE AGREEMENT. A buyer's agent shall arrange
5 for the buyer's purchase agreement with the dealer to provide all warranty information,
6 including the warranty expiration date, mileage limitations, and other restrictions. The
7 warranty information must be specific to the motor vehicle being purchased.

8 Sec. 08.66.280. FEES OF BUYER'S AGENT. (a) A buyer's agent may not
9 collect a fee from a buyer before the agent and the buyer enter into the contract
10 required by AS 08.66.260.

11 (b) A buyer's agent may not calculate the fee of the buyer's agent as a
12 percentage of the motor vehicle purchase price or of the savings achieved by the agent
13 for the buyer on the purchase of the motor vehicle.

14 (c) Until the motor vehicle is delivered to the buyer, a buyer's agent shall hold
15 in trust in a bank account a fee that the agent receives before the buyer receives the
16 motor vehicle.

17 Sec. 08.66.290. OWNERSHIP INTEREST PROHIBITED. A buyer's agent
18 may not own an interest in the motor vehicle that is the subject of the purchase that
19 the agent is negotiating for the buyer.

20 Sec. 08.66.300. CERTAIN COMPENSATION PROHIBITED. A buyer's
21 agent may not accept a rebate, kickback, commission, or other form of compensation

24 Sec. 08.66.310. DUAL AGENCY PROHIBITED. When representing a buyer,
25 a buyer's agent may not act as an agent for the motor vehicle dealer.
