Resolve No.**
39

Relating to release of nonproprietary geographic information system files in possession of the state.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the Alaska State Legislature established the Arctic Environmental Information and Data Center in 1972 as the premier point of dissemination for environmental information and data relating to the state; and

WHEREAS this program is an integral part of the Environment and Natural Resources Institute at the University of Alaska Anchorage; and

WHEREAS the University of Alaska and its components are recognized as an agency of the state; and

WHEREAS geographic information system technology is becoming the preeminent tool used by state agencies in making land, environmental, and natural resource decisions.

BE IT RESOLVED that the Alaska State Legislature respectfully requests the governor to direct all agencies of the state to make nonproprietary geographic information system files available to the Arctic Environmental Information and Data Center for public dissemination and use without restriction, except as provided by law.
