4 * Section 1. LEGISLATIVE FINDINGS. The legislature finds that

5 (1) the Secretary of Defense, in both the Quadrennial Defense Review and the
6 Defense Reform Initiative, has called for the reestablishment of a Base Realignment and
7 Closure Commission (BRAC) to conduct two new rounds of military base closures;

8 (2) all military bases in Alaska are scheduled for review and evaluation for
9 potential placement on the closure list;

10 (3) the strategic location of the state's military bases, their unparalleled training
11 and maneuver areas, and their modern facilities represent an asset of unmatched military value
12 to the nation;

13 (4) the total economic value the military adds to the state exceeds
14 \$1,700,000,000 annually;

Chapter 31

- 1 (5) any new base closure or realignment actions in the state would create
2 serious economic and socioeconomic effects for the communities where they are located; and
3 (6) the closure of Adak Naval Air Facility and realignment of army activities

6 economy.
