6 * **Section 1.** AS 21.09.150(a) is amended to read:

7 (a) The director may suspend or revoke an insurer's certificate of authority if,
8 after a hearing, the director finds that the insurer has violated a lawful order of the
9 director or a provision of this title other than those for which suspension or revocation
10 is mandatory or has not paid any annual service fees assessed under AS 23.05.067.

11 * **Sec. 2.** AS 23.05 is amended by adding a new section to read:

12 **Sec. 23.05.067. Service fees for administration of workers' safety and**
13 **compensation programs.** (a) Each insurer providing workers' compensation
14 insurance and each employer who is self-insured or uninsured for purposes of

Chapter 89

1 AS 23.30 in this state shall pay an annual service fee to the department for the
2 administrative expenses of the state for workers' safety programs under AS 18.60 and
3 the workers' compensation program under AS 23.30 as follows:

4 (1) for each employer,

5 (A) except as provided in (b) of this section, the service fee
6 shall be paid each year to the department at the time that the annual report is
7 required to be filed under AS 23.30.155(m) or (n); and

8 (B) the service fee is 2.9 percent of all payments reported to the
9 Alaska Workers' Compensation Board under AS 23.30.155(m) or (n), except
10 second injury fund payments; and

11 (2) for each insurer, the director of the division of insurance shall,
12 under (e) of this section, deposit from funds received from the insurer under
13 AS 21.09.210 a service fee of 1.82 percent of the direct premium income for workers'
14 compensation insurance received by the insurer during the year ending on the
15 preceding December 31, subject to all the deductions specified in AS 21.09.210(b).

16 (b) An employer who is required to pay an annual service fee under (a) of this
17 section may elect to pay in yearly increments over a five-year period the portion of the
18 service fee due under (a) of this section as a result of a settlement of over \$50,000
19 approved under AS 23.30.012. An election under this subsection must be made in the
20 first year that a service fee would be due as a result of the settlement. The employer
21 shall notify the department of an election under this subsection. If an election is made,
22 payment of each yearly increment that is due shall be made at the time the annual
23 report is required to be filed under AS 23.30.155(m) or (n).

24 (c) Payment of the annual service fee under this section shall be made in the
25 manner and by the method specified by the department.

26 (d) If an employer who is required to pay an annual service fee under this
27 section does not pay the required amount of the service fee by the time specified in
28 this section, the employer shall pay a civil penalty of \$100 for the first day the
29 payment is late and \$10 a day for each additional day the payment is late. The civil
30 penalty under this subsection is in addition to any civil penalties imposed for late
31 filings of reports under AS 23.30.155(m).

1 (e) Annual service fees and civil penalties collected under this section shall be
2 deposited in the workers' safety and compensation administration account in the state
3 treasury. Under AS 37.05.146(b), the service fees and civil penalties shall be
4 accounted for separately, and appropriations from the account are not made from the
5 unrestricted general fund. The legislature may appropriate money from the account
6 for expenditures by the department for necessary costs incurred by the department in
7 the administration of the workers' safety programs contained in AS 18.60 and of the
8 Alaska Workers' Compensation Act contained in AS 23.30. Nothing in this subsection
9 creates a dedicated fund or dedicates the money in the account for a specific purpose.
10 Money deposited in the account does not lapse at the end of a fiscal year unless
11 otherwise provided by an appropriation.

12 (f) The department may adopt regulations to implement this section.

13 (g) Notwithstanding AS 21.76.020(a), a joint insurance arrangement established
14 under AS 21.76 is subject to the provisions of this section and regulations adopted
15 under this section and, if self-insured, is subject to the annual service fee on behalf of
16 its members.

17 (h) The department shall grant a credit against the service fee imposed under
18 (a)(1) of this section to an employer if (1) the employer applies to the department for
19 the credit on a form prescribed by the department; (2) the employer provides proof that
20 the employer has paid a premium tax imposed under AS 21.09.210 on an insurance
21 policy; and (3) workers' compensation claims have been paid under the insurance
22 policy described in (2) of this subsection and the claims are subject to the service fee
23 imposed under (a) of this section. The credit allowed under this subsection is equal
24 to the amount of the premium tax paid by the employer under the insurance policy,
25 may not exceed the service fee imposed under (a) of this section, and only applies to
26 premium taxes paid by the employer on or after January 1, 2000.

27 (i) In this section, "insurer" has the meaning given in AS 21.90.900.

28 * Sec. 3. AS 23.30.015(e) is amended to read:

29 (e) An amount recovered by the employer under an assignment, whether by
30 action or compromise, shall be distributed as follows:

31 (1) the employer shall retain an amount equal to

Chapter 89

1 (A) the expenses incurred by the employer with [IN] respect to
2 the action or compromise, including a reasonable attorney fee determined by
3 the board;

4 (B) the cost of all benefits actually furnished by the employer
5 under this chapter;

6 (C) all amounts paid as compensation and second-injury fund
7 payments, and, if the employer is self-insured or uninsured, all service fees
8 paid under AS 23.05.067;

9 (D) the present value of all amounts payable later as
10 compensation, [(PRESENT VALUE TO BE) computed from a schedule
11 prepared by the board; [],] and the present value of the cost of all benefits to
12 be furnished later under AS 23.30.095 [(] as estimated by the board; [)], the
13 amounts so computed and estimated to be retained by the employer as a trust
14 fund to pay compensation and the cost of benefits as they become due and to
15 pay any finally remaining excess sum to the person entitled to compensation
16 or to the representative; and

17 (2) the employer shall pay any excess to the person entitled to
18 compensation or to the representative of that person.

19 * Sec. 4. AS 23.30.090 is amended to read:

20 **Sec. 23.30.090. Self-insurance certificates.** If an employer has complied with
21 the provisions of this chapter relating to self-insurance and has paid annual service
22 fees assessed under AS 23.05.067, the board shall issue the employer a certificate that
23 [WHICH] shall remain in force for a period fixed by the board. The board may, upon
24 at least 10 days' notice and a hearing, revoke a self-insurance certificate upon
25 satisfactory proof that an employer is no longer entitled to it. After revocation, the
26 board may grant a new certificate to an employer, upon the employer's petition and
27 satisfactory proof of the employer's financial ability as provided in this chapter. An
28 employer authorized as a self-insurer shall provide claims facilities through its own
29 staffed adjusting facilities located within the state, or independent, licensed, resident
30 adjusters with power to effect settlement within the state.
