AN ACT

Relating to collective negotiation by competing physicians with health benefit plans, to health benefit plan contracts, to the application of antitrust laws to agreements involving providers and groups of providers affected by collective negotiations, and to the effect of the collective negotiation provisions on health care providers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

Approved by the Governor: June 20, 2002

Actual Effective Date: September 18, 2002

AN ACT

1 Relating to collective negotiation by competing physicians with health benefit plans, to health
2 benefit plan contracts, to the application of antitrust laws to agreements involving providers
3 and groups of providers affected by collective negotiations, and to the effect of the collective
4 negotiation provisions on health care providers.

5
6 * Section 1. AS 23 is amended by adding a new chapter to read:

7 **Chapter 50. Collective Negotiation by Physicians.**

8 **Sec. 23.50.010. Legislative findings.** (a) The legislature finds that permitting
9 competing physicians to engage in collective negotiation of certain terms and
10 conditions of contracts with a health benefit plan will benefit competition, so long as
11 the physicians do not engage in an express or implied threat of retaliatory collective
12 action, including boycotts or strikes.

13 (b) The legislature finds that permitting physicians to engage in collective
14 negotiations over fee-related terms may, in some circumstances, yield anticompetitive

Chapter 68

1 effects. There are, however, instances in which a health benefit plan dominates the
2 market to the degree that fair negotiations between physicians and the health benefit
3 plan are not possible in the absence of joint action on behalf of the physicians. In
4 those circumstances, the health benefit plan can virtually dictate the terms of the
5 contracts that it offers to physicians.

6 (c) The legislature finds that it is appropriate and necessary to authorize
7 collective negotiations between competing physicians and health benefit plans when
8 the imbalances in bargaining capacity described in this section exist.

9 **Sec. 23.50.020. Collective action by competing physicians.** (a) Competing
10 physicians may meet and communicate in order to collectively negotiate with a health
11 benefit plan concerning any of the contract terms and conditions described in this
12 subsection, but may not negotiate the exclusion of providers who are non-physicians
13 from direct reimbursement by a health benefit plan, and may not negotiate the setting
14 in which providers who are non-physicians deliver services. Competing physicians
15 may not engage in a boycott related to these terms and conditions. Competing
16 physicians may meet and communicate concerning

- 17 (1) physician clinical practice guidelines and coverage criteria;
- 18 (2) the respective liability of physicians and the health benefit plan for
19 the treatment or lack of treatment of insured or enrolled persons;
- 20 (3) administrative procedures, including methods and timing of the
21 payment of services to physicians;
- 22 (4) procedures for the resolution of disputes between the health benefit
23 plan and physicians;
- 24 (5) patient referral procedures;
- 25 (6) the formulation and application of reimbursement methodology;
- 26 (7) quality assurance programs;
- 27 (8) health service utilization review procedures; and
- 28 (9) criteria to be used by health benefit plans for the selection and
29 termination of physicians, including whether to engage in selective contracting.

30 (b) An authorized third party that intends to negotiate with a health benefit
31 plan the items identified under (a) of this section shall provide the attorney general

1 with written notice of the intended negotiations before the negotiations begin.

2 (c) In exercising the collective rights granted by (a) of this section,

3 (1) physicians may communicate with each other with respect to the
4 contractual terms and conditions to be negotiated with a health benefit plan;

5 (2) physicians may communicate with an authorized third party
6 regarding the terms and conditions of contracts allowed under this section;

7 (3) the authorized third party is the sole party authorized to negotiate
8 with a health benefit plan on behalf of a defined group of physicians;

9 (4) physicians can be bound by the terms and conditions negotiated by
10 the authorized third party that represents their interests;

11 (5) a health benefit plan communicating or negotiating with the
12 authorized third party may contract with, or offer different contract terms and
13 conditions to, individual competing physicians;

14 (6) an authorized third party may not represent more than 30 percent of
15 the market of practicing physicians for the provision of services in the geographic
16 service area or proposed geographic service area, if the health benefit plan has less
17 than a five percent market share as determined by the number of covered lives as
18 reported by the director of insurance for the most recently completed calendar year or
19 by the actual number of consumers of prepaid comprehensive health services; in this
20 paragraph, "covered lives" means the total number of individuals who are entitled to
21 benefits under the health benefit plan;

22 (7) the attorney general may limit the percentage of practicing
23 physicians represented by an authorized third party; however, the limitation may not
24 be less than 30 percent of the market of practicing physicians in the geographic service
25 area or proposed geographic service area; when determining whether to impose a
26 limitation described under this paragraph, the attorney general shall consider the
27 provisions described under (f) - (h) of this section; this paragraph does not apply if the
28 market of practicing physicians in the geographic service area or proposed geographic
29 service area consists of 40 or fewer individuals; and

30 (8) the authorized third party shall comply with the provisions of (d) of
31 this section.

Chapter 68

- 1 (d) A person acting or proposing to act as an authorized third party under this
2 section shall,
- 3 (1) before engaging in collective negotiations with a health benefit
4 plan,
- 5 (A) file with the attorney general the information that identifies
6 the authorized third party, the physicians represented by the third party, the
7 authorized third party's plan of operation, and the authorized third party's
8 procedures to ensure compliance with this section;
- 9 (B) furnish to the attorney general, for the attorney general's
10 approval, a brief report that identifies the proposed subject matter of the
11 negotiations or discussions with a health benefit plan and that contains an
12 explanation of the efficiencies or benefits that are expected to be achieved
13 through the collective negotiations; the attorney general shall review whether
14 the group of physicians represented by the authorized third party is appropriate
15 to represent the interests involved in the negotiations; the attorney general may
16 not approve the report if the group of physicians is not appropriate to represent
17 the interests involved in the negotiations or if the proposed negotiations exceed
18 the authority granted in this chapter and, if the group is not appropriate or the
19 negotiations exceed the granted authority, shall enter an order prohibiting the
20 collective negotiations from proceeding; the authorized third party shall
21 provide supplemental information to the attorney general as new information
22 becomes available that indicates that the subject matter of negotiations with the
23 health benefit plan has changed or will change;
- 24 (2) within 14 days after receiving a health benefit plan's decision to
25 decline to negotiate or to terminate negotiations, or within 14 days after requesting
26 negotiations with a health benefit plan that fails to respond within that time, report to
27 the attorney general that negotiations have ended or have been declined;
- 28 (3) during the negotiation process, provide the attorney general upon
29 the attorney general's request with a copy of all written communications that are
30 between physicians and the health benefit plan, that are relevant to the negotiations,
31 and that are in the possession of the authorized third party;

1 (4) before reporting the results of negotiations with a health benefit
2 plan and before giving physicians an evaluation of any offer made by a health benefit
3 plan, provide to the attorney general, for the attorney general's approval, a copy of all
4 communications to be made to physicians related to the negotiations, discussions, and
5 health benefit plan offers.

6 (e) The attorney general shall either approve or disapprove the contract that
7 was the subject of the collective negotiation within 60 days after receiving the reports
8 required under (d) of this section. If the contract is disapproved, the attorney general
9 shall furnish a written explanation of any deficiencies along with a statement of
10 specific remedial measures that would correct any identified deficiencies. An
11 authorized third party who fails to obtain the attorney general's approval is considered
12 to be acting outside the authority of this section.

13 (f) The attorney general shall approve a collective negotiation contract if

14 (1) the competitive and other benefits of the contract terms outweigh
15 any anticompetitive effects; and

16 (2) the contract terms are consistent with other applicable laws and
17 regulations.

18 (g) The competitive and other benefits of joint negotiations or negotiated
19 provider contract terms must include

20 (1) restoration of the competitive balance in the market for health care
21 services;

22 (2) protections for access to quality patient care;

23 (3) promotion of health care infrastructure and medical advancement;

24 or

25 (4) improved communications between health care providers and
26 health care insurers.

27 (h) When weighing the anticompetitive effects of contract terms, the attorney
28 general shall consider whether the terms

29 (1) provide for excessive payments; or

30 (2) contribute to the escalation of the cost of providing health care
31 services.

Chapter 68

1 (i) This section does not authorize competing physicians to act in concert in
2 response to a report issued by an authorized third party related to the authorized third
3 party's discussion or negotiations with a health benefit plan. The authorized third
4 party shall advise the physicians of the provisions of this subsection and shall warn
5 them of the potential for legal action against those who violate state or federal antitrust
6 laws by exceeding the authority granted under this section.

7 (j) A contract allowed under this section may not exceed a term of five years.

8 (k) The documents relating to a collective negotiation described under this
9 section that are in the possession of the Department of Law are confidential and not
10 open to public inspection.

11 (l) Nothing in this section shall be construed as exempting from the
12 application of the antitrust laws the conduct of providers or negotiations or agreements
13 between providers and a health benefit plan if the purpose or effect of the conduct,
14 negotiations, or agreements would be, directly or indirectly, to exclude, limit the
15 participation or reimbursement of, or otherwise limit the scope of services to be
16 provided by separate or competing classes of providers who practice or seek to
17 practice within the scope of the occupational licenses held by the providers.

18 (m) A contract entered into under this section must be consistent with
19 AS 21.36.090(d).

20 (n) Nothing in this section shall be construed to make any conduct by
21 providers unlawful if the conduct was lawful before the effective date of this Act.

22 (o) In this section,

23 (1) "geographic service area" means the geographic area of the
24 physicians seeking to jointly negotiate;

25 (2) "provider" has the meaning given in AS 21.36.090(d).

26 **Sec. 23.50.030. Fee for registration of authorized third parties.** (a) The
27 attorney general shall adopt regulations that establish the amount and manner of
28 payment of a registration fee for authorized third parties. The attorney general shall
29 establish the fee level so that the total amount of fees collected from authorized third
30 parties approximately equals the actual regulatory costs for the oversight of joint
31 negotiations between physicians and health benefit plans. The attorney general shall

Chapter 68

1 annually review the fee level to determine whether the regulatory costs are
2 approximately equal to fee collections. If the review indicates that the fee collections
3 and regulatory costs are not approximately equal, the attorney general shall calculate
4 fee adjustments and adopt regulations under this subsection to implement the
5 adjustments. In January of each year, the attorney general shall report on the fee level
6 and revisions for the previous year under this subsection to the office of management
7 and budget.

8 (b) In this section, "regulatory costs" means costs of the Department of Law
9 that are attributable to oversight of joint negotiations between physicians and health
10 benefit plans.

11 **Sec. 23.50.040. Regulations.** The attorney general may adopt regulations
12 necessary to implement this chapter.

13 **Sec. 23.50.099. Definitions.** In this chapter,

14 (1) "authorized third party" means a person authorized by the
15 physicians to negotiate on their behalf with a health benefit plan under this chapter;

16 (2) "health benefit plan" means a health care insurer as defined in
17 AS 21.54.500, but does not include a self-insured health benefit plan.

18 * **Sec. 2.** AS 45.50.572 is amended by adding a new subsection to read:

19 (k) AS 45.50.562 - 45.50.596 do not forbid the existence or operation of
20 organizations of physicians acting in accordance with AS 23.50, or forbid or restrain
21 members of those organizations from lawfully carrying out the legitimate objectives of
22 them; nor are these organizations or members illegal combinations or conspiracies in
23 restraint of trade under the provisions of AS 45.50.562 - 45.50.596.
