

CHAPTER 73.

AN ACT

[S. B. 61]

To appropriate the sum of \$3,000.00 to be expended in connection with the representation of this Territory at the World's Fair to be held at San Diego, California during the year 1935, and declaring an emergency.

Be it enacted by the Legislature of the Territory of Alaska:

Appropriation
for world's
fair, San Diego.

Section 1. The sum of \$3,000.00 or so much thereof as may be necessary is hereby appropriated out of the treasury not otherwise appropriated to be expended under the direction of the Board of Administration in connection with the representation at the World's Fair to be held at San Diego, California during the year 1935.

How paid.

Section 2. The Treasurer is hereby directed to pay said sum of money upon warrants drawn by the Auditor upon vouchers approved by the Governor.

Effective date.

Section 3. This Act to be in force and effect upon its passage and approval.

Approved March 14, 1935.

CHAPTER 74.

AN ACT

[H. B. 1]

To amend subsection 14 of Section 3138 Compiled Laws of Alaska, 1933, (Subsection 16, Chapter 69, Session Laws of Alaska, 1927) providing for a graduated license tax on the net income derived from mines.

Be it enacted by the Legislature of the Territory of Alaska:

Mining tax.

That subsection 14 of Section 3138, Compiled Laws of Alaska, 1933, be, and the same is hereby amended to read as follows:

14. MINING. As used in this subsection "mining" means any operation by which valuable metals, ores, minerals, asbestos, gypsum, coal, marketable earth or stone, is extracted from the earth. Definition.

By "net income" is meant a cash value of the output of the mine less operating expenses, repairs and betterments actually made, royalties actually paid, all taxes paid under Section 176 of the Compiled Laws of Alaska, 1933. Provided that the lessee in order to receive credit for royalties paid must give the name and address of the person to whom such royalties were paid and the amount or the percentage of the gross out-put paid to each person. The license tax on mining shall be as follows: Tax on net income.

Amount of tax.

Upon all net incomes:

| | |
|---|--------|
| Over \$5,000 and not over \$10,000 | 3/4% |
| Over \$10,000 and not over \$50,000 | 1 1/4% |
| Over \$50,000 and not over \$100,000 | 1 1/2% |
| Over \$100,000 and not over \$150,000 | 1 3/4% |
| Over \$150,000 and not over \$250,000 | 2 1/4% |
| Over \$250,000 and not over \$500,000 | 2 3/4% |
| Over \$500,000 and not over \$1,000,000.... | 3 1/2% |
| Over \$1,000,000 | 4% |

Provided, that where mining operations are conducted in two or more places by the same person or company of affiliated company such operations shall be treated as a single operation and the tax shall be computed upon the aggregate income derived from all such mining operations; provided further, that the lessor of any mine operated under a lease shall be deemed to be engaged in mining within the provisions of this article and the royalties received by him less the cost of collecting the same shall be deemed to be the net Tax computed on aggregate income from all sources.

income within the provisions of this Act and where such lessor receives royalties from more than one mining property or mine operations his tax shall be computed on the aggregate income from all mining operations.

No deductions.

No deductions shall be made on account of depreciation of the mine or machinery nor for interest on bonds or on money borrowed, or other taxes paid.

Approved March 14, 1935.

CHAPTER 75.

AN ACT

[H. B. 105]

To amend the Nineteenth Subsection of Section 2383, C. L. A. 1933, prohibiting radio interference.

Be it enacted by the Legislature of the Territory of Alaska:

Section 1. That the Nineteenth Subsection of Section 2383, C. L. A. 1933, be, and the same is hereby amended to read as follows:

Radio interference—Common council's power to prohibit.

Nineteenth: To take action by ordinance to minimize radio interference and prohibit, any person, firm or corporation from wilfully and knowingly operating any machine, appliance, device, equipment or apparatus of any kind which produces unnecessary and reasonably preventable radio interference to the extent that the same interferes, in any substantial degree, with the transmitting or reception of radio broadcast; provided that the provisions of such ordinance shall not apply to any broadcast commercial or amateur radio station which has a license or permit for operation, by authority of the United States and to prescribe punishment for the violation of the provisions of such ordinance.

Approved March 14, 1935.
