### BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES:

WHEREAS the House Finance Committee has had House Bill 2 under consideration and has recommended that it be replaced with Committee Substitute for House Bill 2 and that the Committee Substitute do pass; and

WHEREAS Section 2 of CSHB 2 provides that the sum of \$5,000,000 is appropriated from the general fund to the Department of Revenue to assist cities, organized boroughs and the unorganized borough in meeting extraordinary expenses for public services for the fiscal year ending June 30, 1974; and

WHEREAS the bill further provides that the \$5,000,000 appropriated by CSHB 2 shall be disbursed at the direction of the Governor subject to the approval of the Legislative Budget and Audit Committee;

BE IT RESOLVED that the House of Representatives endorses and hereby approves the intent of the House Finance Committee report on CSHB 2 that the \$5,000,000 appropriated by the bill is to be considered a contingency fund from which expenditures can only be made upon a factual showing of impact to the communities due to the construction of the Alaska Pipeline to which that community cannot adequately respond; and that no funds may be disbursed except those which the Governor deems necessary and all disbursements shall be subject to the approval of the Legislative Budget and Audit Committee.
