8 * **Sec. 3.** AS 15.05.020 is amended to read:

9 **Sec. 15.05.020. Rules for determining residence of voter.** For the purpose
10 of determining residence for voting, the place of residence is governed by the
11 following rules:

12 (1) A person may not be considered to have gained a residence solely
13 by reason of presence nor may a person lose it solely by reason of absence while in the
14 civil or military service of this state or of the United States or of absence because of
15 marriage to a person engaged in the civil or military service of this state or the United
16 States, while a student at an institution of learning, while in an institution or asylum at
17 public expense, while confined in public prison, while engaged in the navigation of
18 waters of this state or the United States or of the high seas, while residing upon an
19 Indian or military reservation, or while residing in the Alaska Pioneers' Home or the
20 Alaska Veterans' Home.

21 (2) The residence of a person is that place in which the person's
22 habitation is fixed, and to which, whenever absent, the person has the intention to
23 return. If a person resides in one place, but does business in another, the former is the
24 person's place of residence. Temporary **work sites** [CONSTRUCTION CAMPS] do
25 not constitute a dwelling place.

26 (3) A change of residence is made only by the act of removal joined
27 with the intent to remain in another place. There can only be one residence.

28 (4) A person does not lose residence if the person leaves home and
29 goes to another country, state, or place in this state for temporary purposes only and
30 with the intent of returning.

31 (5) A person does not gain residence in any place to which the person

1 comes without the present intention to establish a permanent dwelling at that place.

2 (6) A person loses residence in this state if the person votes in another
3 state's election, either in person or by absentee ballot, and will not be eligible to vote
4 in this state until again qualifying under AS 15.05.010.

5 (7) The term of residence is computed by including the day on which
6 the person's residence begins and excluding the day of election.

7 (8) The address of a voter as it appears on **the** [AN] official voter
8 registration **record** [CARD] is presumptive evidence of the person's voting residence.
9 This presumption is negated only if the voter notifies the director in writing of a
10 change of voting residence.

24 mark the voter's choice of party affiliation on the voter registration application form.

25 (c) A person may supply a voter registration application form with a political
26 party or group affiliation indicated to a voter only if the voter is already registered as
27 affiliated with the political party or group indicated.
