7 **any standard stated in the governing instrument**, part or all of the principal of the  
8 trust in favor of a trustee of **another** [A] trust under an instrument other than that  
9 under which the power to invade was created if the exercise of this **authority**  
10 [DISCRETION]

11 (1) does not reduce any fixed income interest of **a** [AN INCOME]  
12 beneficiary of the **invaded** trust;

13 (2) is in favor of the **beneficiaries** [BENEFICIARY] of the **invaded**

17 **(4) results, in the appointed trust, in a standard for invading**  
18 **principal that is the same as the standard for invading principal in the invaded**  
19 **trust.**

20 \* **Sec. 10.** AS 13.36.157 is amended by adding new subsections to read:

21 (d) The governing instrument of an appointed trust may provide that, after a  
22 time or an event specified in the governing instrument, the trust assets of the appointed  
23 trust remaining after the time or event shall be held for the benefit of the beneficiaries  
24 of the invaded trust on terms and conditions regarding the nature and extent of the  
25 interests of the beneficiaries of the invaded trust that are substantially identical to the  
26 terms and conditions governing the interests of the beneficiaries in the invaded trust.

27 (e) In this section,

28 (1) "appointed trust" means the trust to which principal is appointed  
29 under (a) of this section;

30 (2) "invaded trust" means the trust whose principal is invaded under  
31 (a) of this section.

1 \* **Sec. 11.** AS 13.36 is amended by adding a new section to read:

2 **Sec. 13.36.368. Claims against revocable trusts.** (a) Whether or not the terms  
3 of the trust contain a spendthrift restriction,

4 (1) during the lifetime of the settlor of a revocable trust, the property of  
5 the trust is subject to claims of the settlor's creditors; and

6 (2) except as otherwise provided in (b) of this section, after the death  
7 of the settlor of a trust that was revocable at the settlor's death, and subject to the  
8 settlor's right to direct the source from which claims may be paid, the property of the  
9 trust is subject to claims to the extent the settlor's estate is not adequate to satisfy the  
10 claims.

11 (b) With respect to claims in connection with the settlement after the death of  
12 the settlor of a trust that was revocable at the settlor's death,

13 (1) a creditor's claim that would be allowed or barred against a  
14 decedent's estate under AS 13.16.450 - 13.16.525 shall be allowed or barred against  
15 the trustee of the trust, the trust property, and the creditors and beneficiaries of the  
16 trust;

17 (2) if the personal representative of the decedent's estate follows the  
18 procedures provided by AS 13.16.450 - 13.16.525, then claims that are allowed or  
19 barred against the decedent's estate shall also be allowed or barred against the assets of  
20 the trust;

21 (3) if the personal representative of the decedent's estate fails to follow  
22 the procedures stated by AS 13.16.450 - 13.16.525, the trustee of the trust may file a  
23 petition with the superior court for a determination of claims and follow the  
24 procedures established by AS 13.16.450 - 13.16.525, and claims against the trust and  
25 against the decedent's estate shall be allowed or barred under those procedures.

26 (c) In (a)(2) and (b) of this section, "claim" means a claim

27 (1) of a creditor of the settlor;

28 (2) for the expenses of the administration of the settlor's estate;

29 (3) for the expenses of the settlor's funeral; and

30 (4) for the expenses of the disposal of the settlor's remains.

31 \* **Sec. 12.** AS 34.40.110(b) is amended to read:

1 (b) If a trust contains a transfer restriction allowed under (a) of this section,  
2 the transfer restriction prevents a creditor existing when the trust is created or a person  
3 who subsequently becomes a creditor from satisfying a claim out of the beneficiary's  
4 interest in the trust, unless the creditor is a creditor of the settlor and

5 (1) the settlor's transfer of property in trust was made with the intent to  
6 defraud that creditor, and a cause of action or claim for relief with respect to the  
7 fraudulent transfer complies with the requirements of (d) of this section;

8 (2) the trust, **except for an eligible individual retirement account**  
9 **trust**, provides that the settlor may revoke or terminate all or part of the trust without  
10 the consent of a person who has a substantial beneficial interest in the trust and the  
11 interest would be adversely affected by the exercise of the power held by the settlor to  
12 revoke or terminate all or part of the trust; in this paragraph, "revoke or terminate"  
13 does not include a power to veto a distribution from the trust, a testamentary  
14 nongeneral power of appointment or similar power, or the right to receive a  
15 distribution of income, principal, or both in the discretion of a person, including a  
16 trustee, other than the settlor, or a right to receive a distribution of income or principal  
17 under **(3)(A), (B), (C), or (D)** [(3)(A) OR (B)] of this subsection;

18 (3) the trust, **except for an eligible individual retirement account**  
19 **trust**, requires that all or a part of the trust's income or principal, or both, must be  
20 distributed to the settlor; however, this paragraph does not apply to a settlor's right to  
21 receive the following types of distributions, which remain subject to the restriction  
22 provided by (a) of this section until the distributions occur:

23 (A) income or principal from a charitable remainder annuity  
24 trust or charitable remainder unitrust; in this subparagraph, "charitable  
25 remainder annuity trust" and "charitable remainder unitrust" have the meanings  
26 given in 26 U.S.C. 664 (Internal Revenue Code) as that section reads on  
27 October 8, 2003, and as it may be amended;

28 (B) a percentage of the value of the trust each year as  
29 determined from time to time under the trust instrument, but not exceeding the  
30 amount that may be defined as income under AS 13.38 or under 26 U.S.C.  
31 643(b) (Internal Revenue Code) as that subsection reads on October 8, 2003,

1 and as it may be amended;

2 (C) the transferor's potential or actual use of real property held  
3 under a qualified personal residence trust within the meaning of 26 U.S.C.  
4 2702(c) (Internal Revenue Code) as that subsection reads on September 15,  
5 2004, or as it may be amended in the future; or

6 (D) income or principal from a grantor retained annuity trust or  
7 grantor retained unitrust that is allowed under 26 U.S.C. 2702 (Internal  
8 Revenue Code) as that section reads on September 15, 2004, or as it may be  
9 amended in the future; or

10 (4) at the time of the transfer, the settlor is in default by 30 or more  
11 days of making a payment due under a child support judgment or order.

12 \* **Sec. 13.** AS 34.40.110(l) is amended by adding a new paragraph to read:

13 (2) "eligible individual retirement account trust" means an individual  
14 retirement account under 26 U.S.C. 408(a) or an individual retirement plan under 26  
15 U.S.C. 408A(b) (Internal Revenue Code), as those sections read on the effective date  
16 of this paragraph or as they may be amended in the future, that is in the form of a trust,  
17 if a trust company or bank with its principal place of business in this state is the trustee  
18 or custodian.

19 \* **Sec. 14.** AS 34.40.110 is amended by adding a new subsection to read:

20 (m) If a trust has a transfer restriction allowed under (a) of this section, in the  
21 event of the divorce or dissolution of the marriage of a beneficiary of the trust, the  
22 beneficiary's interest in the trust is not considered property subject to division under  
23 AS 25.24.160 or 25.24.230 or a part of a property division under AS 25.24.160 or  
24 25.24.230. Unless otherwise agreed to in writing by the parties to the marriage, this  
25 subsection does not apply to a settlor's interest in a self-settled trust with respect to  
26 assets transferred to the trust

27 (1) after the settlor's marriage; or

28 (2) within 30 days before the settlor's marriage unless the settlor gives  
29 written notice to the other party to the marriage of the transfer.

30 \* **Sec. 15.** AS 13.36.100(g)(1) is repealed.

31 \* **Sec. 16.** The uncodified law of the State of Alaska is amended by adding a new section to

1 read:
