22 those sections until municipal officials demonstrate that the requirements of this

24 * **Sec. 5.** AS 29.60.810 is amended to read:

25 **Sec. 29.60.810. Grant applications.** A municipality that owns a harbor facility
26 may submit to the Department of Transportation and Public Facilities an application
27 for a municipal harbor facility grant to be used for construction, expansion, major

29 information about the project requested by the department. For a proposed project to
30 be eligible for a grant, the municipality must provide evidence acceptable to the
31 department that the

1 (1) proposed project is a capital improvement project and not part of a
2 preventive maintenance program or regular custodial care program;

3 (2) municipality will provide 50 percent of the total project cost as
4 matching funds for the state grant and that money received by the municipality from
5 the state will not be used for the matching funds except money received under

6 (A) AS 29.60.850 - 29.60.879 (community revenue sharing

14 insurance for the replacement cost of the harbor facility or has an adequate program of
15 insurance;

16 (4) municipality has a preventive maintenance plan for the harbor
17 facility and will be adequately adhering to the preventive maintenance plan after
18 completion of the proposed project.

19 * **Sec. 6.** AS 29.60 is amended by adding new sections to read:

20 **Article 11. Community Revenue Sharing Program.**

21 **Sec. 29.60.850. Community revenue sharing fund.** (a) The community
22 revenue sharing fund is established in the general fund for the purpose of making
23 community revenue sharing payments to municipalities, reserves, and communities for
24 any public purpose. The fund consists of appropriations. Income earned on money in
25 the fund may be appropriated to the fund. Money in the fund does not lapse.

26 (b) Each fiscal year, the legislature may appropriate to the community revenue
27 sharing fund an amount equal to 20 percent of the money received by the state during
28 the previous calendar year under AS 43.55.011(g). The amount may not exceed

29 (1) \$60,000,000; or

30 (2) the amount that, when added to the fund balance on June 30 of the
31 previous fiscal year, equals \$180,000,000.

1 (c) The balance in the community revenue sharing fund shall be determined on
2 June 30 of each year. If the fund balance is at least \$60,000,000, without further
3 appropriation, the department shall distribute one-third of that amount as community
4 revenue sharing payments for the immediately following fiscal year. Otherwise, no
5 payments may be made.

6 (d) Notwithstanding the guidelines in (b) of this section, the legislature may
7 appropriate any amount to the community revenue sharing fund. Nothing in this
8 section creates a dedicated fund.

9 **Sec. 29.60.855. Basic community revenue sharing payments.** (a) The
10 department shall calculate the basic amount used for determining the basic community
11 revenue sharing payment for a fiscal year by applying the following formula: the
12 amount available for payments for that fiscal year under AS 29.60.850(c), minus
13 60,000,000, divided by 60,000,000, plus one, multiplied by 384,000. However, if the
14 amount calculated is less than \$220,000, the basic amount for that fiscal year is
15 \$220,000.

16 (b) Except as provided in (c) of this section, the basic community revenue
17 sharing payment for a fiscal year equals, for each

18 (1) unified municipality, the sum of the amounts calculated under (2)
19 and (3) of this subsection, rounded to the nearest \$1,000;

20 (2) borough, the basic amount, rounded to the nearest \$1,000;

21 (3) city and eligible reserve, one-fourth of the basic amount, rounded
22 to the nearest \$100;

23 (4) eligible community in the unorganized borough, one-twelfth of the
24 basic amount, rounded to the nearest \$100;

25 (5) eligible community in a unified municipality or borough, one-
26 nineteenth of the basic amount, rounded to the nearest \$100.

27 (c) The basic revenue sharing payment amount for a succeeding municipality
28 formed when two or more municipalities merge, consolidate, or unify after January 1,
29 2002, equals the sum of the amounts each of the former municipalities would receive
30 under (b) of this section calculated as if the merger, consolidation, or unification had
31 not occurred.

1 **Sec. 29.60.860. Per capita payment increases.** (a) Subject to (b) of this
2 section, if the amount available for distribution under AS 29.60.850(c) exceeds the
3 amount needed to fully fund all the basic community revenue sharing payments, the
4 balance shall be distributed on a per capita basis to municipalities, to reserves, and to
5 communities in the unorganized borough.

6 (b) The per capita amount distributed to each community in the unorganized
7 borough may not, when added to the basic community revenue sharing payment for
8 that community, exceed the basic amount calculated under AS 29.60.855(b)(3). If the
9 per capita distribution for a community exceeds the basic amount calculated under
10 AS 29.60.855(b)(3), the excess amount shall be distributed on a per capita basis to
11 other communities in the unorganized borough.

12 (c) For purposes of this section, the population of a municipality, reserve, or
13 community shall be determined by using the numbers of permanent fund dividend
14 recipients or other population data that the department determines is reliable. For
15 purposes of determining the population of a borough, the population of each city in the
16 borough shall be deducted from the total borough population.

17 **Sec. 29.60.865. Eligibility requirements for reserves and communities.** (a)
18 The department, with advice from the Department of Law, shall determine whether
19 there is in each community or reserve an incorporated nonprofit entity or a Native
20 village council that will agree to receive and spend the community revenue sharing
21 payment. If there is more than one qualified entity in a reserve or community in the
22 unorganized borough, the department shall pay the money to the entity that the
23 department finds most qualified to receive and spend the money on behalf of the
24 reserve or community. The department may not make a community revenue sharing
25 payment to a Native village council unless the council waives immunity from suit for
26 claims arising out of activities of the council related to the payment. A waiver of
27 immunity from suit under this section must be on a form provided by the Department
28 of Law. If there is no qualified incorporated nonprofit entity or Native village council
29 in a reserve or community that is willing to receive the community revenue sharing
30 payment and use the payment on behalf of that reserve or community, the payment for
31 that reserve or community may not be paid. Neither this section nor any action taken

1 under it enlarges or diminishes the governmental authority or jurisdiction of a Native
2 village council.

3 (b) The department may make a community revenue sharing payment on
4 behalf of a community in a borough or unified municipality only to the municipality
5 for payment by the municipality to an incorporated nonprofit entity or Native village
6 council that has been approved by the assembly and meets the requirements of (a) of
7 this section. The department shall have written evidence of the assembly approval. If
8 there is more than one qualified entity in a community in a borough or unified
9 municipality, one of the entities may receive the entire payment, or the payment may
10 be shared between two or more of the qualified entities, as determined by the
11 assembly.

12 (c) A community in a borough or unified municipality is eligible for a
13 community revenue sharing payment only if at least three of the following services are
14 generally available to all residents of the community and each of the three services, in
15 any combination, are provided by one or more qualifying incorporated nonprofit
16 entities or a Native village council or are substantially paid for by the residents of the
17 community through taxes, charges, or assessments levied or authorized by the borough
18 or unified municipality:

- 19 (1) fire protection;
- 20 (2) emergency medical;
- 21 (3) water and sewer;
- 22 (4) solid waste management;
- 23 (5) public road or ice road maintenance;
- 24 (6) public health;
- 25 (7) search and rescue.

26 **Sec. 29.60.879. Definitions.** In AS 29.60.850 - 29.60.879,

27 (1) "community" means a place in the unorganized borough, in a
28 borough, or in a unified municipality that is not incorporated as a municipality, that is
29 not a reserve, and in which 25 or more individuals reside as a social unit;

30 (2) "reserve" means a place that is organized under federal law as an
31 Indian reserve that existed before enactment of 43 U.S.C. 1618(a) and is continued in

1 existence under that subsection.

2 * **Sec. 7.** AS 37.06.010(g) is amended to read:

3 (g) For purposes of this section, in calculating the population of a borough, the
4 population of each city in the borough is excluded. The determination of population
5 shall be based **on the latest figures of the United States Bureau of the Census or**
6 **other population data that** [UPON DATA USED BY] the Department of
7 Commerce, Community, and Economic Development **determines is reliable**
8 [UNDER AS 29.60.020].

9 * **Sec. 8.** AS 37.06.020(b) is amended to read:

10 (b) The unincorporated community capital project matching grant fund is
11 established in the department and consists of appropriations to the fund.
12 Appropriations to the fund do not lapse except as provided in (h) of this section. The
13 money in the fund is held by the department in custody under this subsection for each
14 unincorporated community eligible for an allocation under this subsection. The
15 department shall establish an individual grant account within the fund for each
16 unincorporated community that was entitled to receive state aid under **AS 29.60.855**
17 [AS 29.60.140] during the preceding fiscal year. As provided in this subsection, each
18 fiscal year, the department shall allocate, to the individual grant accounts,
19 appropriations to the fund. An unincorporated community is eligible for an allocation
20 in a fiscal year if the community was eligible to receive state aid under **AS 29.60.855**
21 [AS 29.60.140] during the preceding fiscal year. The department shall credit interest
22 earned on money in an individual grant account to that account. Except as provided in
23 (c) of this section, the amount allocated under this subsection to an individual grant
24 account in a fiscal year is determined by dividing the total amount appropriated to the
25 fund during that fiscal year by the number of unincorporated communities eligible for
26 an allocation during that fiscal year.

27 * **Sec. 9.** AS 37.06.030 is amended to read:

28 **Sec. 37.06.030. Local share requirements.** (a) For each draw made by a
29 municipality under AS 37.06.010, the municipality shall contribute a local share to the
30 cost of the capital project for which the draw is made. The amount of the local share
31 equals the local share percentage as calculated under (1) of this subsection, divided by

1 the state share percentage as calculated under (2) of this subsection, multiplied by the
2 amount of the draw. For purposes of this subsection,

3 (1) the local share percentage is

4 (A) 30 percent for a municipality with a population of 5,000 or
5 more;

6 (B) for a municipality with a population of 1,000 - 4,999, the
7 greater of

8 (i) 15 percent; or

9 (ii) the percentage obtained by dividing the amount that
10 would be received by the municipality from a property tax levy of
11 1/1000th of a mill **for each** [PER] \$1,000 of grant funds received by
12 the sum of that first amount plus the amount of the grant or draw, but
13 not more than 30 percent;

14 (C) for a municipality with a population of under 1,000, the
15 greater of

16 (i) five percent; or

17 (ii) the percentage obtained by dividing the amount that
18 would be received by the municipality from a property tax levy of
19 1/1000th of a mill **for each** [PER] \$1,000 of grant funds received by
20 the sum of that first amount plus the amount of the grant or draw, but
21 not more than 30 percent;

22 (2) the state share percentage equals one minus the local share
23 percentage;

24 (3) the local share to be contributed by a municipality may be satisfied
25 with (A) federal, municipal, or local money; (B) labor, materials, or equipment used
26 directly in the construction of the project, or land, including land transferred by the
27 state to the municipality; the department shall determine the value of a contribution
28 under this subparagraph; (C) money from another nonstate source; (D) money
29 received by the municipality under **AS 29.60.850 - 29.60.879** [AS 29.60.010 -
30 29.60.375]; (E) state taxes refunded or reimbursed to the municipality whose use for
31 the purposes of this subsection is not prohibited; (F) allocations of state aid for the

1 costs of school construction debt under AS 14.11.100; and (G) money obtained from
2 the sale or lease of land or other assets transferred by the state to the municipality;
3 except as provided in this paragraph, the local share may not be satisfied with money
4 from, or with the portion of an asset that was obtained with money from, an
5 appropriation, allocation, entitlement, grant, or other payment from the state.

6 (b) For each draw made by an entity or council under AS 37.06.020, the
7 incorporated entity or Native village council that makes the draw shall contribute a
8 local share of the cost of the capital project for which the draw is made. The amount of
9 the local share equals the local share percentage as calculated under (1) of this
10 subsection, divided by the state share percentage as calculated under (2) of this
11 subsection, multiplied by the amount of the draw. For purposes of this subsection,

12 (1) the local share percentage is five percent;

13 (2) the state share percentage equals one minus the local share
14 percentage;

15 (3) the local share may be satisfied from (A) federal or local money;
16 (B) labor, materials, or equipment used directly in the construction of the project, or
17 land, including land transferred by the state; the department shall determine the value
18 of a contribution under this subparagraph; (C) money from another nonstate source;
19 (D) money received by the unincorporated community under AS 29.60.850 -
20 29.60.879 [AS 29.60.010 - 29.60.375]; or (E) money obtained from the sale or lease of
21 land or other assets transferred by the state; except as provided in this paragraph, the
22 local share may not be satisfied with money from, or with the portion of an asset that
23 was obtained with money from, an appropriation, allocation, entitlement, grant, or
24 other payment from the state.

25 (c) For purposes of (a) of this section, in calculating the population of a
26 borough the population of each city in the borough is excluded. The determination of
27 population shall be based on the latest figures of the United States Bureau of the
28 Census or other population data that [UPON DATA USED BY] the Department of
29 Commerce, Community, and Economic Development determines is reliable
30 [UNDER AS 29.60.020].

31 * **Sec. 10.** AS 41.15.180(d) is amended to read:

1 (d) From the percentage of the unorganized borough national forest receipts
2 fund allocated to public roads under (b) of this section, the commissioner shall pay to
3 each

4 (1) home rule city, first class city, or second class city that exercises
5 road powers, that is located within the unorganized borough and within a national
6 forest or within 20 miles of a national forest, a share of the income from the roads
7 allocation of the fund; a home rule city, first class city, or second class city's share
8 shall be calculated as the proportion of the number of road miles within municipal
9 boundaries over which the community exercises road powers plus the number of state
10 road miles maintained by the municipality under agreement with the state compared to
11 the total number of road miles maintained by state or local governments in the
12 unorganized borough and within the national forest or within 20 miles of the national
13 forest;

14 (2) municipality organized under federal law as an Indian reserve that
15 existed before the enactment of 43 U.S.C. 1618(a) and is continued in existence under
16 that subsection and that has formed a community development corporation under **(n)**
17 **of this section** [AS 29.60.365], that exercises road powers and that is located within
18 the unorganized borough and within the national forest or within 20 miles of the
19 national forest a share of the income from the roads allocation of the fund; the share
20 due a municipality organized under federal law that exercises road powers shall be
21 calculated as the proportion of the number of road miles within municipal boundaries
22 over which the community exercises road powers plus the number of state road miles
23 maintained by the municipality under agreement with the state compared to the total
24 number of road miles maintained by state or local governments in the unorganized
25 borough and within the national forest or within 20 miles of the national forest;
26 however, the commissioner may pay income from national forest receipts under this
27 paragraph only after the corporation has delivered a written waiver of sovereign

3 require that the governing board of the corporation shall be elected at an annual
4 election open to all residents of the municipality organized under federal law who are
