BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

AN ACT

1 Relating to breaches of security involving personal information, credit report and credit score
2 security freezes, protection of social security numbers, care of records, disposal of records,
3 identity theft, credit cards, and debit cards, disclosure of the names and addresses of
4 permanent fund dividend applicants, and to the jurisdiction of the office of administrative
5 hearings; amending Rules 60 and 82, Alaska Rules of Civil Procedure; and providing for an
6 effective date.

7

8 * **Section 1.** AS 40.21.110 is amended to read:

9 **Sec. 40.21.110. Care of records.** Except for public records lawfully in the
10 possession of a person other than the state, public records of existing or defunct
11 agencies of the state, territorial, and Russian governments in Alaska are the property
12 of the state and shall be created, maintained, preserved, stored, transferred, destroyed
13 or disposed of, and otherwise managed in accordance with the provisions of this
14 chapter **and AS 45.48.500 - 45.48.530**. Records shall be delivered by outgoing

1 officials and employees to their successors, and may not be removed, destroyed, or
2 disposed of, except as provided in this chapter **and AS 45.48.500 - 45.48.530.**

3 * **Sec. 2.** AS 43.23.017 is amended by adding a new subsection to read:

4 (b) Notwithstanding (a) of this section, the department may release the names
5 and addresses of permanent fund dividend applicants to a legislator of this state and to
6 the legislator's office staff for official legislative purposes.

7 * **Sec. 3.** AS 44.64.030(a) is amended by adding a new paragraph to read:

8 (40) AS 45.48.080(c) (breach of security involving personal
9 information).

10 * **Sec. 4.** AS 45 is amended by adding a new chapter to read:

11 **Chapter 48. Personal Information Protection Act.**

12 **Article 1. Breach of Security Involving Personal Information.**

13 **Sec. 45.48.010. Disclosure of breach of security.** (a) If a covered person owns
14 or licenses personal information in any form that includes personal information on a
15 state resident, and a breach of the security of the information system that contains
16 personal information occurs, the covered person shall, after discovering or being
17 notified of the breach, disclose the breach to each state resident whose personal
18 information was subject to the breach.

19 (b) An information collector shall make the disclosure required by (a) of this
20 section in the most expeditious time possible and without unreasonable delay, except
21 as provided in AS 45.48.020 and as necessary to determine the scope of the breach and
22 restore the reasonable integrity of the information system.

23 (c) Notwithstanding (a) of this section, disclosure is not required if, after an
24 appropriate investigation and after written notification to the attorney general of this
25 state, the covered person determines that there is not a reasonable likelihood that harm
26 to the consumers whose personal information has been acquired has resulted or will
27 result from the breach. The determination shall be documented in writing, and the
28 documentation shall be maintained for five years. The notification required by this
29 subsection may not be considered a public record open to inspection by the public.

30 **Sec. 45.48.020. Allowable delay in notification.** An information collector
31 may delay disclosing the breach under AS 45.48.010 if an appropriate law

1 enforcement agency determines that disclosing the breach will interfere with a
2 criminal investigation. However, the information collector shall disclose the breach to
3 the state resident in the most expeditious time possible and without unreasonable delay
4 after the law enforcement agency informs the information collector in writing that
5 disclosure of the breach will no longer interfere with the investigation.

6 **Sec. 45.48.030. Methods of notice.** An information collector shall make the
7 disclosure required by AS 45.48.010

8 (1) by a written document sent to the most recent address the
9 information collector has for the state resident;

10 (2) by electronic means if the information collector's primary method
11 of communication with the state resident is by electronic means or if making the
12 disclosure by the electronic means is consistent with the provisions regarding
13 electronic records and signatures required for notices legally required to be in writing
14 under 15 U.S.C. 7001 et seq. (Electronic Signatures in Global and National Commerce
15 Act); or

16 (3) if the information collector demonstrates that the cost of providing
17 notice would exceed \$150,000, that the affected class of state residents to be notified
18 exceeds 300,000, or that the information collector does not have sufficient contact
19 information to provide notice, by

20 (A) electronic mail if the information collector has an
21 electronic mail address for the state resident;

22 (B) conspicuously posting the disclosure on the Internet
23 website of the information collector if the information collector maintains an
24 Internet website; and

25 (C) providing a notice to major statewide media.

26 **Sec. 45.48.040. Notification of certain other agencies.** (a) If an information
27 collector is required by AS 45.48.010 to notify more than 1,000 state residents of a
28 breach, the information collector shall also notify without unreasonable delay all
29 consumer credit reporting agencies that compile and maintain files on consumers on a
30 nationwide basis and provide the agencies with the timing, distribution, and content of
31 the notices to state residents.

1 (b) This section may not be construed to require the information collector to
2 provide the consumer reporting agencies identified under (a) of this section with the
3 names or other personal information of the state residents whose personal information
4 was subject to the breach.

5 (c) This section does not apply to an information collector who is subject to
6 the Gramm-Leach-Bliley Financial Modernization Act.

7 (d) In this section, "consumer credit reporting agency that compiles and
8 maintains files on consumers on a nationwide basis" has the meaning given to
9 "consumer reporting agency that compiles and maintains files on consumers on a
10 nationwide basis" in 15 U.S.C. 1681a(p).

11 **Sec. 45.48.050. Exception for employees and agents.** In AS 45.48.010 -
12 45.48.090, the good faith acquisition of personal information by an employee or agent
13 of an information collector for a legitimate purpose of the information collector is not
14 a breach of the security of the information system if the employee or agent does not
15 use the personal information for a purpose unrelated to a legitimate purpose of the
16 information collector and does not make further unauthorized disclosure of the
17 personal information.

18 **Sec. 45.48.060. Waivers.** A waiver of AS 45.48.010 - 45.48.090 is void and
19 unenforceable.

20 **Sec. 45.48.070. Treatment of certain breaches.** (a) If a breach of the security
21 of the information system containing personal information on a state resident that is
22 maintained by an information recipient occurs, the information recipient is not
23 required to comply with AS 45.48.010 - 45.48.030. However, immediately after the
24 information recipient discovers the breach, the information recipient shall notify the
25 information distributor who owns the personal information or who licensed the use of
26 the personal information to the information recipient about the breach and cooperate
27 with the information distributor as necessary to allow the information distributor to
28 comply with (b) of this section. In this subsection, "cooperate" means sharing with the
29 information distributor information relevant to the breach, except for confidential
30 business information or trade secrets.

31 (b) If an information recipient notifies an information distributor of a breach

1 under (a) of this section, the information distributor shall comply with AS 45.48.010 -
2 45.48.030 as if the breach occurred to the information system maintained by the
3 information distributor.

4 **Sec. 45.48.080. Violations.** (a) If an information collector who is a
5 governmental agency violates AS 45.48.010 - 45.48.090 with regard to the personal
6 information of a state resident, the information collector

7 (1) is liable to the state for a civil penalty of up to \$500 for each state
8 resident who was not notified under AS 45.48.010 - 45.48.090, but the total civil
9 penalty may not exceed \$50,000; and

10 (2) may be enjoined from further violations.

11 (b) If an information collector who is not a governmental agency violates
12 AS 45.48.010 - 45.48.090 with regard to the personal information of a state resident,
13 the violation is an unfair or deceptive act or practice under AS 45.50.471 - 45.50.561.
14 However,

15 (1) the information collector is not subject to the civil penalties
16 imposed under AS 45.50.551 but is liable to the state for a civil penalty of up to \$500
17 for each state resident who was not notified under AS 45.48.010 - 45.48.090, except
18 that the total civil penalty may not exceed \$50,000; and

19 (2) damages that may be awarded against the information collector
20 under

21 (A) AS 45.50.531 are limited to actual economic damages that
22 do not exceed \$500; and

23 (B) AS 45.50.537 are limited to actual economic damages.

24 (c) The Department of Administration may enforce (a) of this section against a
25 governmental agency. The procedure for review of an order or action of the
26 department under this subsection is the same as the procedure provided by AS 44.62
27 (Administrative Procedure Act), except that the office of administrative hearings
28 (AS 44.64.010) shall conduct the hearings in contested cases and the decision may be
29 appealed under AS 44.64.030(c).

30 **Sec. 45.48.090. Definitions.** In AS 45.48.010 - 45.48.090,

31 (1) "breach of the security" means unauthorized acquisition, or

1 reasonable belief of unauthorized acquisition, of personal information that
2 compromises the security, confidentiality, or integrity of the personal information
3 maintained by the information collector; in this paragraph, "acquisition" includes
4 acquisition by

5 (A) photocopying, facsimile, or other paper-based method;

6 (B) a device, including a computer, that can read, write, or
7 store information that is represented in numerical form; or

8 (C) a method not identified by (A) or (B) of this paragraph;

9 (2) "covered person" means a

10 (A) person doing business;

11 (B) governmental agency; or

12 (C) person with more than 10 employees;

13 (3) "governmental agency" means a state or local governmental
14 agency, except for an agency of the judicial branch;

15 (4) "information collector" means a covered person who owns or
16 licenses personal information in any form if the personal information includes
17 personal information on a state resident;

18 (5) "information distributor" means a person who is an information
19 collector and who owns or licenses personal information to an information recipient;

20 (6) "information recipient" means a person who is an information
21 collector but who does not own or have the right to license to another information
22 collector the personal information received by the person from an information
23 distributor;

24 (7) "personal information" means information in any form on an
25 individual that is not encrypted or redacted, or is encrypted and the encryption key has
26 been accessed or acquired, and that consists of a combination of

27 (A) an individual's name; in this subparagraph, "individual's
28 name" means a combination of an individual's

29 (i) first name or first initial; and

30 (ii) last name; and

31 (B) one or more of the following information elements:

- 1 (i) the individual's social security number;
- 2 (ii) the individual's driver's license number or state
3 identification card number;
- 4 (iii) except as provided in (iv) of this subparagraph, the
5 individual's account number, credit card number, or debit card number;
- 6 (iv) if an account can only be accessed with a personal
7 code, the number in (iii) of this subparagraph and the personal code; in
8 this sub-subparagraph, "personal code" means a security code, an
9 access code, a personal identification number, or a password;
- 10 (v) passwords, personal identification numbers, or other
11 access codes for financial accounts.

12 **Article 2. Credit Report and Credit Score Security Freeze.**

13 **Sec. 45.48.100. Security freeze authorized.** A consumer may prohibit a
14 consumer credit reporting agency from releasing the consumer's credit report or credit
15 score without the express authorization of the consumer by placing a security freeze
16 on the consumer's credit report.

17 **Sec. 45.48.110. Placement of security freeze.** (a) To place a security freeze, a
18 consumer shall make the request to the consumer credit reporting agency

19 (1) by mail to the address designated by the consumer credit reporting
20 agency to receive security freeze requests; or

21 (2) as allowed by (b) of this section.

22 (b) A consumer may make a request under (a) of this section by telephone or
23 by facsimile, the Internet, or other electronic media if the consumer credit reporting
24 agency has developed procedures for using the telephone or an electronic medium to
25 receive and process the request in an expedited manner.

26 (c) A consumer credit reporting agency shall place a security freeze within
27 five business days after receiving a request under (a) or (b) of this section and proper
28 identification from the consumer.

29 **Sec. 45.48.120. Confirmation of security freeze.** (a) Within 10 business days
30 after a consumer makes the request under AS 45.48.110, a consumer credit reporting
31 agency shall send a written confirmation of the placement of the security freeze to the

1 consumer. The confirmation must also inform the consumer that the consumer credit
2 reporting agency may charge, as allowed by AS 45.48.160, a fee for third-party access
3 during the security freeze.

4 (b) At the same time that the consumer credit reporting agency sends a
5 confirmation under (a) of this section, the consumer credit reporting agency shall
6 provide the consumer with a unique personal identification number, password, or
7 similar device to be used by the consumer when the consumer authorizes the release of
8 the consumer's credit report or credit score under AS 45.48.130.

9 **Sec. 45.48.130. Access and actions during security freeze.** (a) While a
10 security freeze is in place, a consumer credit reporting agency shall allow a third party
11 access to a consumer's credit report or credit score if the consumer requests that the
12 consumer credit reporting agency allow the access.

13 (b) To make a request under (a) of this section, the consumer shall contact the
14 consumer credit reporting agency by mail at the address designated by the consumer
15 credit reporting agency to receive security freeze requests or as allowed by (c) of this
16 section, authorize the consumer credit reporting agency to allow the access, and
17 provide the consumer credit reporting agency with

18 (1) proper identification to verify the consumer's identity;

19 (2) the unique personal identification number, password, or similar
20 device provided under AS 45.48.120(b); and

21 (3) the proper information necessary to identify the third party to
22 whom the consumer credit reporting agency may allow the access or the time period
23 during which the consumer credit reporting agency may allow the access to third
24 parties who request the access.

25 (c) In addition to making the request by mail, a consumer may make a request
26 under (a) of this section by telephone or by facsimile, the Internet, or other electronic
27 media if the consumer credit reporting agency has developed procedures for using the
28 telephone or an electronic medium to receive and process the request in an expedited
29 manner.

30 (d) Except as provided by (e) of this section, a consumer credit reporting
31 agency that receives a request from a consumer under (b) or (c) of this section shall

1 comply with the request within 15 minutes after receiving the request by telephone or
2 by an electronic medium or within three business days after receiving the request by
3 mail.

4 (e) A consumer credit reporting agency is not required to comply with a
5 request under (a) of this section within the 15 minutes required by (d) of this section if

6 (1) the consumer fails to satisfy the requirements of (b) of this section;

7 (2) one of the following events prevents the consumer credit reporting
8 agency from removing the security freeze within 15 minutes:

9 (A) an act of God, including a fire, earthquake, hurricane,
10 storm, or similar natural disaster or phenomenon;

11 (B) an unauthorized or illegal act by another person, including
12 terrorism, sabotage, riot, vandalism, labor strike, labor dispute disrupting
13 operations, or similar occurrence;

14 (C) an operational interruption, including an electrical failure,
15 unanticipated delay in equipment or replacement part delivery, computer
16 hardware or software failure inhibiting response time, or similar disruption;

17 (D) governmental action, including an emergency order or
18 regulation, a judicial law enforcement action, or a similar directive;

19 (E) regularly scheduled maintenance during other than normal
20 business hours of the consumer credit reporting agency's systems, or updates to
21 the consumer credit reporting agency's systems;

22 (F) commercially reasonable maintenance of, or repair to, the
23 consumer credit reporting agency's systems that is unexpected or unscheduled;

24 or

25 (3) the request is received outside of normal business hours.

26 (f) If a security freeze is in place, a consumer credit reporting agency may not
27 release the credit report or credit score to a third party without the prior express
28 authorization of the consumer.

29 (g) If a security freeze is in place on a consumer's credit report and credit
30 score and if a third party applies to a consumer credit reporting agency to provide the
31 third party with access to the consumer's credit report or credit score, the consumer

1 credit reporting agency and the third party may treat the third party's application as
2 incomplete unless the consumer authorizes the access under (a) of this section.

3 (h) If a security freeze is in place, a consumer credit reporting agency may not
4 change the consumer's official information in the consumer's credit report and credit
5 score without sending a written statement of the change to the consumer within 30
6 days after the change is made. A consumer credit reporting agency is not required to
7 send a written statement if the consumer credit reporting agency makes a technical
8 change in the consumer's official information. If a consumer credit reporting agency
9 makes a change, other than a technical change, in a consumer's address, the consumer
10 credit reporting agency shall send the written statement to the consumer at both the
11 new address and the former address. In this subsection,

12 (1) "official information" means name, date of birth, social security
13 number, and address;

14 (2) "technical change" means changing spelling, transposing numbers
15 or letters, abbreviating a word, or spelling out an abbreviation.

16 (i) This section is not intended to prevent a consumer credit reporting agency
17 from advising a third party that requests access to a consumer's credit report or credit
18 score that a security freeze is in effect.

19 (j) The procedures used by a consumer credit reporting agency for
20 implementing the provisions of this section may include the use of telephone,
21 facsimile, or electronic means if making the disclosure by the electronic means is
22 consistent with the provisions regarding electronic records and signatures required for
23 notices legally required to be in writing under 15 U.S.C. 7001 et seq. (Electronic
24 Signatures in Global and National Commerce Act).

25 **Sec. 45.48.140. Removal of security freeze.** (a) Except as provided by
26 AS 45.48.130, a consumer credit reporting agency may not remove a security freeze
27 unless

28 (1) the consumer requests that the consumer credit reporting agency
29 remove the security freeze under (b) of this section; or

30 (2) the consumer made a material misrepresentation of fact to the
31 consumer credit reporting agency when the consumer requested the security freeze

1 under AS 45.48.110; if a consumer credit reporting agency intends to remove a
2 security freeze on a consumer's credit report under this paragraph, the consumer credit
3 reporting agency shall notify the consumer in writing before removing the security
4 freeze.

5 (b) A consumer credit reporting agency shall remove a security freeze within
6 three business days after receiving a request for removal from the consumer who
7 requested the security freeze.

8 (c) To make a request under (b) of this section, the consumer shall contact the
9 consumer credit reporting agency by mail or as allowed by (d) of this section,
10 authorize the consumer credit reporting agency to remove the security freeze, and
11 provide the consumer credit reporting agency with

12 (1) proper identification to verify the consumer's identity; and

13 (2) the unique personal identification number, password, or similar
14 device provided under AS 45.48.120(b).

15 (d) In addition to mail, a consumer may make a request under (b) of this
16 section by telephone or by facsimile, the Internet, or other electronic media if the
17 consumer credit reporting agency has developed procedures for using the telephone or
18 an electronic medium to receive and process the request in an expedited manner.

19 **Sec. 45.48.150. Prohibition.** When dealing with a third party, a consumer
20 credit reporting agency may not suggest, state, or imply that a consumer's security
21 freeze reflects a negative credit score, history, report, or rating.

22 **Sec. 45.48.160. Charges.** (a) Except as provided by (b), (c), or (d) of this
23 section, a consumer credit reporting agency may not charge a consumer to place or
24 remove a security freeze, to provide access under AS 45.48.130, or to take any other
25 action, including the issuance of a personal identification number, password, or similar
26 device under AS 45.48.120, that is related to the placement of, removal of, or allowing
27 access to a credit report or credit score on which a security freeze has been placed.

28 (b) A consumer credit reporting agency may charge a consumer \$5 for placing
29 a security freeze.

30 (c) A consumer credit reporting agency may charge the consumer \$2 for each
31 access request made by the consumer. In this subsection, "access request" means a

1 request made by the consumer under AS 45.48.130 to allow third-party access to the
2 consumer's credit report or credit score on which a security freeze has been placed.

3 (d) If a consumer fails to retain a personal identification number, password, or
4 similar device issued under AS 45.48.120, a consumer credit reporting agency may
5 charge the consumer up to \$5 for each time after the first time that the consumer credit
6 reporting agency issues the consumer another personal identification number,
7 password, or similar device because the consumer failed to retain the personal
8 identification number, password, or similar device.

9 (e) A consumer credit reporting agency may not charge a consumer a fee
10 under (b) or (c) of this section if the consumer has been a victim of identity theft and
11 provides the consumer credit reporting agency with a complaint filed by the consumer
12 with a law enforcement agency.

13 **Sec. 45.48.170. Notice of rights.** When a consumer credit reporting agency is
14 required to give a consumer a summary of rights under 15 U.S.C. 1681g (Fair Credit
15 Reporting Act), a consumer credit reporting agency shall also give the consumer the
16 following notice:

17 **Consumers Have the Right to Obtain a Security Freeze**

18 You may obtain a security freeze on your credit report and
19 credit score for \$5 to protect your privacy and ensure that credit is not
20 granted in your name without your knowledge. You may not have to
21 pay the \$5 charge if you are a victim of identity theft. You have a right
22 to place a security freeze on your credit report and credit score under
23 state law (AS 45.48.100 - 45.48.290).

24 The security freeze will prohibit a consumer credit reporting
25 agency from releasing your credit score and any information in your
26 credit report without your express authorization or approval.

27 The security freeze is designed to prevent credit, loans, and
28 other services from being approved in your name without your consent.
29 However, you should be aware that using a security freeze to take
30 control over who gets access to the personal and financial information
31 in your credit report and credit score may delay, interfere with, or

1 prohibit the timely approval of any subsequent request or application
2 you make regarding a new loan, credit, a mortgage, a governmental
3 service, a governmental payment, a cellular telephone, a utility, an
4 Internet credit card application, an extension of credit at point of sale,
5 and other items and services.

6 When you place a security freeze on your credit report and
7 credit score, within 10 business days, you will be provided a personal
8 identification number, password, or similar device to use if you choose
9 to remove the freeze on your credit report and credit score or to
10 temporarily authorize the release of your credit report and credit score
11 to a specific third party or specific third parties or for a specific period
12 of time after the freeze is in place. To provide that authorization, you
13 must contact the consumer credit reporting agency and provide all of
14 the following:

- 15 (1) proper identification to verify your identity;
- 16 (2) the personal identification number, password, or
17 similar device provided by the consumer credit reporting agency;
- 18 (3) proper information necessary to identify the third
19 party or third parties who are authorized to receive the credit report and
20 credit score or the specific period of time for which the credit report
21 and credit score are to be available to third parties.

22 A consumer credit reporting agency that receives your request
23 to temporarily lift a freeze on a credit report and credit score is required
24 to comply with the request within 15 minutes, except after normal
25 business hours and under certain other conditions, after receiving your
26 request if you make the request by telephone, or an electronic method if
27 the agency provides an electronic method, or within three business days
28 after receiving your request if you make the request by mail. The
29 consumer credit reporting agency may charge you \$2 to temporarily lift
30 the freeze.

31 A security freeze does not apply to circumstances where you

1 have an existing account relationship and a copy of your credit report
2 and credit score are requested by your existing creditor or its agents or
3 affiliates for certain types of account review, collection, fraud control,
4 or similar activities.

5 If you are actively seeking credit, you should understand that
6 the procedures involved in lifting a security freeze may slow your own
7 applications for credit. You should plan ahead and lift a freeze, either
8 completely if you are shopping around, or specifically for a certain
9 creditor, days before applying for new credit.

10 You have a right to bring a civil action against someone who
11 violates your rights under these laws on security freezes. The action can
12 be brought against a consumer credit reporting agency.

13 **Sec. 45.48.180. Notification after violation.** If a consumer credit reporting
14 agency violates a security freeze by releasing a consumer's credit report or credit
15 score, the consumer credit reporting agency shall notify the consumer within five
16 business days after discovering or being notified of the release, and the information in
17 the notice must include an identification of the information released and of the third
18 party who received the information.

19 **Sec. 45.48.190. Resellers.** A consumer credit reporting agency that acts as a
20 reseller of consumer information shall honor a security freeze placed on a consumer's
21 credit report and credit score by another consumer credit reporting agency.

22 **Sec. 45.48.200. Violations and penalties.** (a) A consumer who suffers
23 damages as a result of a person's violation of AS 45.48.100 - 45.48.290 may bring an
24 action in court against the person and recover, in the case of a violation where the
25 person acted

26 (1) negligently, actual economic damages, court costs allowed by the
27 rules of court, and full reasonable attorney fees;

28 (2) knowingly,

29 (A) damages as described in (1) of this subsection;
