It is the intent of the legislature that the Department of Commerce, Community, and Economic Development proportionally distribute \$3,439,800 general funds between the professional licensing boards and commissions based on the number of licenses issued for fiscal years 2007 through 2010. It is also the intent of the legislature that after the general funds are distributed, the professional licensing board's and commission's carryforward balances are made whole as of June 30, 2012 and will serve as a starting balance going forward into the future. Further, it is the intent of the legislature that the department completes an annual reconciliation of the individual professional board's and commission's carryforward balance to reports from the State's accounting system.
