BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

3 and providing for an effective date.

5 * **Section 1.** AS 31.05.100(a) is amended to read:

6 (a) For the prevention of waste, to protect and enforce [THE] correlative rights
7 [OF LESSEES IN A POOL], and to avoid the augmenting and accumulation of risks
8 arising from the drilling of an excessive number of wells, or the reduced recovery **that**
9 [WHICH] might result from too small a number of wells, the commission **may**
10 [SHALL, AFTER A HEARING,] establish a drilling unit or units for each pool. The
11 establishment of a unit for gas shall be limited to the production of gas.

12 * **Sec. 2.** AS 31.05.100(b) is amended to read:

13 (b) Each well permitted to be drilled on a drilling unit shall be drilled under
14 the rules and regulations and in accordance with the spacing pattern as the commission

1 prescribes for the pool in which the well is located. Exceptions to the rules and
2 spacing pattern may be granted where it is shown [, AFTER NOTICE AND
3 HEARING,] that the unit is partly outside the pool, or **that** for some other reason a
4 well [SO] located on the unit would be nonproductive, or topographical conditions
5 [ARE SUCH AS TO] make the drilling at [SUCH] a location unduly burdensome. If
6 an exception is granted, the commission shall take [SUCH] action **to** [AS WILL]
7 offset any advantage **that** [WHICH] the person securing the exception may have over
8 other producers **because** [BY REASON] of the drilling of the well as an exception,
9 and so that drainage from developed units to the tract with respect to which the
10 exception is granted will be prevented or minimized, and the producer of the well
11 drilled as an exception will be allowed to produce **not** [NO] more than a just and
12 equitable share of the oil and gas in the pool.

13 * **Sec. 3.** AS 31.05.100 is amended by adding a new subsection to read:

14 (f) The commission may adopt well spacing regulations to protect correlative
15 rights.

4 Notwithstanding regulations adopted by the Department of Natural Resources in 1984 and
5 amendments to those regulations adopted by that department in 1993, 2001, and 2018 under
6 the authority of AS 38.04.035, 38.04.900, AS 38.05.020, AS 41.21.020, and AS 44.37.011, as
7 those provisions read on the date those regulations were adopted, that state that a personal use
8 cabin permit is not transferable or assignable and is valid only during the lifetime of the
9 original holder of the permit, the department shall,

10 (1) at the request of an original permit holder,

11 (A) transfer the permit holder's permit to an immediate family member
12 of the permit holder; or

13 (B) add an immediate family member of the permit holder as an
14 additional permittee with a right of survivorship in the permit; and

15 (2) if the original permit holder of a permit that has not been transferred or
16 assigned dies before the age provided by the National Center for Health Statistics as the
17 average life expectancy of a person residing in the state at the time of the permit holder's
18 birth, allow an immediate family member of the deceased permit holder to assume the
19 privileges of the permit for a period equal to the difference between the original permit
20 holder's age at death and the life expectancy determined under this paragraph.

21 (b) Notwithstanding the regulations that state that a personal use cabin permit is not
22 transferable or assignable and is valid only during the lifetime of the original holder, an
23 immediate family member of an original personal use cabin permit holder or deceased
24 personal use cabin permit holder may assume the privileges of a permit under (a) of this
25 section only if the person is qualified under regulations adopted by the Department of Natural
26 Resources.

27 (c) For an immediate family member of a personal use cabin permit holder

28 (1) to be added to or transferred a permit under (a)(1) of this section, the
29 original permit holder must submit the immediate family member's name to the Department
30 of Natural Resources;

31 (2) to assume the privileges of a permit under (a)(2) of this section, the

1 immediate family member must apply to the Department of Natural Resources within 30 days
2 after the permit holder's death.

3 (d) Once the original permit holder has died, a personal use cabin permit that an

6 (e) The Department of Natural Resources shall adopt regulations to implement this
7 section.

8 (f) In this section, "personal use cabin permit" means a permit issued by the

16 of Natural Resources shall allow an immediate family member of the holder of a personal use
17 cabin permit that allowed the holder to use an existing cabin that was placed on state land and
18 that was issued by the Department of Natural Resources under regulations adopted by the
19 department in 1984 and amendments to those regulations that were adopted in 1993, 2001,
20 and 2018 that expired on or after January 1, 2020, and before the effective date of this section,
21 because of the death of the original permit holder, to assume the former privileges of the
22 expired permit as provided under sec. 5(a)(2) of this Act as though the permit had not expired.

23 (b) Notwithstanding sec. 5(c)(2) of this Act, for an immediate family member of a
24 personal use cabin permit holder to assume the former privileges of an expired permit under
25 (a) of this section, the immediate family member must apply to the Department of Natural
26 Resources within 60 days after the effective date of this section.

27 (c) In calculating the period for which an immediate family member may assume the
28 former privileges of an expired permit under (a) of this section, the Department of Natural
29 Resources shall count the period after January 1, 2020, that the original permit holder was
30 deceased against the period the family member may assume the former privileges of the
31 expired permit.

1 * **Sec. 7.** Sections 5 and 6 of this Act take effect immediately under AS 01.10.070(c).
